Summer Camps in Lithuania started in year 2004. Since then we faithfully continue with this tradition. Participants from as much as five countries took opportunity to train under Ulf Evenås Shihan. This is unique possibility to train with one of the highest-ranking Shihans of Takemusu Aikido in Europe and have a great time together.

We believe this will create a perfect opportunity for practitioners of all levels to train together, make new friendships and spend time with each other.

We are looking forward to seeing you at the Camp.

## **Giruliai “Žuvėdra” resort**

Giruliai is located on a coast of Baltic Sea. Camp will be arranged at “Žuvėdra” resort in Giruliai. It is established in wild spot of nature nearly untouched of human hands surrounded with pinewoods and enframed with the sea. It provides the possibility to train, live, dine and relax at the same place. Being relatively isolated and calm, it is yet 7 kilometers away from Klaipėda, the port city of Lithuania.

## **Western Lithuania**

West coast of Lithuania has to offer 99 kilometers of sandy beaches. Klaipėda, center of Western Lithuania, has a unique connection to Curonian Spit that has been included into Unesco World Heritage list for it's splendid dunes and forests. In some place being just 2 kilometers in width Spit is captured by Curonian lagoon and Baltic Sea.
